**THIRD INTERIM APPLICATION FOR ALLOWANCE  
AND PAYMENT OF COMPENSATION AND REIMBURSEMENT  
OF EXPENSES TO ROBERT CHARLES LESSER & CO. AS REAL ESTATE  
ADVISORS TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS OF  
TOUSA, INC., ET AL.**

Robert Charles Lesser & Co. ("RCLCO" or "Applicant"), Real Estate Advisors to the Official Committee of Unsecured Creditors (the "Committee") of TOUSA Inc., et al. (collectively, the "Debtors"), files this first interim application (the "Application") for allowance and payment of compensation and reimbursement of expenses. The following grounds support this Application:

1. The Committee was appointed by the United States Trustee on or about February 13, 2008 [D.E. 185].
2. On April 22, 2008, an application to retain the Applicant as real estate advisors to the Committee was filed with the Court [D.E. # 848].
3. By order dated May 28, 2008 [D.E. 1090] (the "Retention Order"), the Court authorized the Committee to retain the Applicant, *nunc pro tunc* to March 27, 2008, pursuant to 11 U.S.C. §§ 1103 and 330.

4. Accordingly, the Applicant submits this Application, pursuant to Sections 328, 330, 331 and 503(b) of the Bankruptcy Code, Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Local Rule 2016-1 of the United States Bankruptcy Court, Southern District of Florida and in accordance with the *Guidelines For Fee Applications For Professionals in the Southern District of Florida in Bankruptcy Cases* (the “Guidelines”). The Applicant requests an interim award of professional fees incurred by the Applicant during the period September 1, 2008 through and including December 31, 2008 (the “Application Period”) in the amount of in the amount of (a) \$688,783.50 representing 90% of total fees incurred during the Application Period of \$765,315.00, as compensation for services rendered; and (b) \$22,313.89 as reimbursement for the actual and necessary expenses incurred by the Applicant as forensic accountants and financial consultants to the Committee during the Application Period. The Applicant also requests an interim award of professional fees incurred by the Applicant during the period September 01, 2008 through and including December 31, 2008 (the “First Application Period”) of an additional ten percent of its total fees for that Period, or the sum of \$64,634.10

5. This request is the Applicant’s second interim application to the Court for compensation and reimbursement of expenses. No understanding exists between the Applicant and any other person for a sharing of the compensation sought by this Application, except among the members of the Applicant.

6. In accordance with the Guidelines, the following exhibits are annexed to this application:

Exhibit 1: Summary of Professional and Paraprofessional Time;

Exhibit 2: Summary and Breakdown of Requested Reimbursement of Expenses and

Disbursements;

Exhibit 3: Certification of Leonard Bogorad and;

Exhibit 4: Detailed Description of the Services Rendered.

**I. RETENTION OF APPLICANT, DISCLOSURE OF COMPENSATION AND REQUESTED AWARD**

7. The Applicant has expended a total of 3019.40 hours during the period covered by this Application in rendering necessary and substantially beneficial financial advisory services to the Committee. *Exhibit 1* contains a list of Applicant's professionals and paraprofessionals who rendered services during the Application Period, the hourly rate charged by each, and a summary of time expended by each. *Exhibit 4* includes a daily description of the services rendered and the hours expended by the various professionals of Applicant who performed services in this case. Applicant has prepared *Exhibit 4* based on contemporaneous daily time records maintained by partners and staff of the Applicant who rendered services in this case.

8. The Applicant has only applied for reimbursement of actual and necessary out-of-pocket disbursements in accordance with § 330(a)(2) of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and the Guidelines. The expenses listed on *Exhibit 2* were actual and necessary expenses incurred by the Applicant in connection with its service to the Committee. The Applicant would typically bill all such expenses to its non-bankruptcy clients.

**II. DESCRIPTION OF SERVICES**

9. The services that Applicant has rendered for the Committee include, but are not limited to, the following

- a. Review the Debtors' project-specific business plans, with particular emphasis on the Debtors' assumptions relating to future home prices and absorption rate.

- b. Review and prepare fundamentals-based forward market assessments for the homebuilding industry for each of the markets where the Debtors' have homebuilding and/or land development activities.
- c. Prepare project analyses and valuations.
- d. Provide litigation support and expert testimony, as required, in connection with the foregoing; and
- e. Provide such other services as reasonably requested by the Committee.

**III. EVALUATION OF SERVICES RENDERED:  
FIRST COLONIAL CONSIDERATIONS**

10. This Application has presented the nature and extent of the professional services Applicant has rendered in connection with its services to the Debtors for which Applicant seeks compensation. The recitals set forth in the daily diaries attached hereto constitute only a summary of the time spent. A mere reading of the time summary annexed hereto cannot completely reflect the full range of services Applicant rendered and the complexity of the issues and the pressures of time and performance which have been placed on Applicant in connection with the case.

11. American Benefit Life Ins. Co. v. Baddock (In re First Colonial Corp.), 544 F.2d 1291 (5th Cir.), cert. denied, 431 U.S. 904 (1977), enumerates twelve factors a bankruptcy court should evaluate in awarding fees. First Colonial remains applicable in the Eleventh Circuit to the determination of reasonableness of fees to be awarded under the Bankruptcy Code. Grant v. George Schuman Tire & Battery Co., 908 F.2d 874 (11th Cir. 1990); 2 Collier on Bankruptcy & 330.05[2][a] at 330-33 through 330-37 (L. King 15th ed. 1991); see also Bonner v. City of Prichard, 661 F.2d 1206, 1209 (11th Cir. 1981). The twelve factors are:

1. The time and labor required;

2. The novelty and difficulty of the questions presented;
3. The skill required to perform the professional services properly;
4. The preclusion from other employment by the professionals due to acceptance of the case;
5. The customary fee for similar work in the community;
6. Whether the fee is fixed or contingent;
7. The time limitations imposed by the client or circumstances;
8. The amount involved and results obtained;
9. The experience, reputation and ability of the professionals;
10. The undesirability of the case;
11. The nature and length of the professional relationship with the client; and
12. Awards in similar cases.

First Colonial, 544 F.2d at 1298-99.

12. Based on the standards set forth in § 330 of the Bankruptcy Code and First Colonial, Applicant believes that the fair and reasonable value of its services rendered during the period covered by this Application is the total amount of \$765,315.00 plus expenses of \$22,313.89.

**A. Time, Nature and Extent of Services Rendered, Results Obtained and Related First Colonial Factors**

13. The foregoing summary, together with the Exhibits attached hereto, detail the time, nature and extent of the professional services Applicant rendered for the benefit of the Committee during the period covered by this Application. The total number of hours expended, 4,071, reveals the extensive time devoted to this matter by Applicant on a vast spectrum of issues that have arisen in this case during the Application.

**B. Novelty and Difficulty of Questions Presented**

14. The issues that have arisen in this case during the period encompassed by this Application demanded a high level of skill and perseverance of Applicant. The Applicant spent considerable time preparing and reviewing necessary documents, reports and analysis in this case.

**C. Skill Requisite to Perform Services Properly**

15. In rendering services to the Committee, the Applicant demonstrated substantial real estate advisory skills and expertise.

**D. Preclusion from Other Employment by Professional Due to Acceptance of Case**

16. Applicant's representation in this case did not preclude it from accepting other employment.

**E. Customary Fee**

17. The hourly rates of Applicant as set forth in *Exhibits 1 and 2* reflect the hourly rates Applicant bills to its clients in other bankruptcy and commercial cases in which client payment is made on a frequent, periodic basis.

**F. Whether Fee is Fixed or Contingent**

18. The Applicant's compensation in this matter is subject to approval of the Court and therefore contingent. The Court should consider this factor, which militates in favor of a fee in the amount requested. The amount requested is consistent with the fees which the Applicant would charge its clients in other non-contingent, bankruptcy and commercial cases.

**G. Time Limitations Imposed by Client or Other Circumstances**

19. The circumstances of this case occasionally imposed serious time constraints on Applicant due to the necessity for rapid resolution of significant issues.

**H. Experience, Reputation and Ability of Professionals**

20. Applicant is an established accounting and consulting firm and its members and professionals working on this case are highly experienced in matters of this kind.

**I. “Undesirability” of Cases**

21. These cases are not undesirable. The Applicant is privileged to have the opportunity to provide professional services to the Committee and appear before the Court in this proceeding.

**J. Nature and Length of Professional Relationship with Client**

22. The Applicant does not have a previous professional relationship with the Committee.

**K. Awards in Similar Cases**

23. The amount requested by the Applicant is reasonable in terms of awards in cases of similar magnitude and complexity. The compensation which the Applicant requests comports with the mandate of the Bankruptcy Code, which directs that services be evaluated in light of comparable services performed in non-bankruptcy cases in the community. The total fee requested by the Applicant, \$765,315.00, reflects an average hourly rate of \$187.99 for 4,071 total hours of service. Considering the complexity of the issues addressed during the periods covered by this application, this rate is entirely appropriate. The costs which the Applicant seeks reimbursement of were necessarily incurred as a result of this engagement. Such costs are not, therefore, implicit in the Applicant’s hourly rates.

WHEREFORE, the Applicant respectfully requests the Court to enter an order (i) awarding the Applicant ninety percent (90%) of its total fees incurred during the Second Application Period, or an award of \$688,783.50 as interim compensation for services rendered, and \$22,313.89 as interim reimbursement for actual and necessary expenses incurred during the course of the Applicant's representation of the Committee during the Application period; (ii) awarding the Applicant an additional ten percent (10%) of its total fees incurred during the First Application Period, or \$64,634.10; (ii) authorizing and directing the Debtor to pay the Applicant the sum of \$775,731.49, representing the total fees and costs sought by the Applicant herein; and (iii) granting such other and further relief as the Court deems just, proper and equitable.
