

Debtors' Tenth Motion to Reject Certain Unexpired Leases and Executory Contracts.

By the Rejection Motion, the Debtors seek entry of an order authorizing them to reject two unexpired office equipment leases (the "Leases"). Specifically, the Debtors seek to reject (i) a Digital Copier & Konica Biz-Hub lease and (ii) a postage meter lease. In the Debtors' opinion, the Leases are no longer beneficial to the Debtors' estates.

The Debtors have reviewed the Leases and determined that they are not a source of potential value for the Debtors' future operations, creditors, or other parties in interest. Specifically, the Debtors assert that the Leases carry ongoing obligations that would constitute an unnecessary drain on the Debtors' resources compared to the benefits associated with the Leases. Therefore, the Debtors seek authorization to reject the Leases at this time in order to avoid incurring administrative expenses.

A hearing on the Rejection Motion has been scheduled for February 26, 2009 with an objection deadline of February 25, 2009.
